Putting Investors First Month

May 2017

As home to one of the strongest economies in the world, Texas understands that investing plays an important role in growing a financially sound economy. Investors often rely on trusted investment professionals such as Chartered Financial Analysts to manage their assets ethically and with integrity. As you use this month to raise awareness that the financial industry must put investors' interests first, I commend our state's CFAs for their work on behalf of our fellow Texans.

First Lady Cecilia Abbott joins me in wishing you the best.

In testimony whereof, I have signed my name and caused the Seal of the State of Texas to be affixed at the City of Austin, this the 22nd day of March, 2016.

Greg Abbott
Governor of Texas
